NEXT STEPS

Please let me know if you have any question.

If you wish to proceed with the proposal we will require a £100.00 non refundable deposit to secure your booking. The deposit will then be deducted from your final invoice.

Once you have paid the deposit invoice we can agree a timeline for your wedding stationery and start designing your stationery. You will then receive an initial draft of your design based on what we have discussed you are looking for and we can then discuss any changes you wish to make at this stage.

All discussed changes will be made and a final proof will be sent to you via email as a PDF for you to review and to sign off. Once you have confirmed in writing that you have checked and approved your stationery I will send you your invoice for each item and as soon as this is settled we will set them to print.

Please ensure that you fully check every element of your stationery before approving. Any changes that need to be made to your stationery after printing we would require that all reprints will be invoiced in full.

The average turn around time from payment to delivery is 10 - 14 days.

TERMS AND CONDITIONS

PROCESS

Before any work is started, we offer a free consultation session with you either over the phone, via email or face to face to find out exactly what you are looking for. After this initiation discussion a booking form will be completed and this will form the brief for your wedding stationery. Once the booking form is completed, an accurate quotation will be supplied based on this document.

If you are happy with the final quotation and details discussed for your stationery a non-refundable deposit of £100.00 is required to secure your booking. At this point a delivery date will be agreed for the initial designs and final delivery date.

As all of my wedding stationery is created bespoke for you using your ideas a draft of the design will be sent to you to review to ensure that you are happy with the overall concept. At this point it is important to give honest feedback about the design as this is your main opportunity to make any changes to the design. After your feedback has been received an alternative design or tweaked design will be sent back to you to review again. Once the final design is approved the wedding stationery will be created in full with all of your details for your wedding day. If closer to the time of finalising your stationery you may request to make minor changes to the design including the type face and colour but any redesigns at this stage will require additional charged at a rate of £35.00 per hour.

On completion of your stationery an electronic version will be supplied for you to sign off the design before anything is printed. Once this is approved via email your designs will be printed and despatched to you within 10 working days.

TIMELINES

At the initial meeting either on the phone, via email or face to face the delivery date for your stationery will be discussed and agreed. The deadline for invitations and save the dates will be at your discretion depending on the date of your wedding and when you wish to send everything out. However, the details for any on the day stationery must be supplied four weeks prior to the agreed delivery day to ensure enough time to make any last-minute changes and to allow enough turn around time for final design, printing and delivery.

From the initial meeting once we have all of your details and the design agreed we aim to get the first designs to you in 10 days and from the time of approving the design to delivery this is between 2- 3 weeks depending on the finer details of making your stationery.

Timescales can vary on occasion but you will always be keep informed if anything changes with your order.

PROOF APPROVAL

Please be aware that it is your responsibility to fully check your stationery for the layout, wording, spelling and grammar. You are also responsible for checking that the details, and numbers ordered, in your final invoice are correct.
